

Recycling lumber | Reducing landfill | Restoring lives

Are you an experienced Carpenter / Woodworker with some spare time on your hands?

Do you love working with wood - and do you want to help transform lives in your local community?

If so, New Life Wood would love to hear from you!

We are looking for people who can spare 3/4 hours on a weekly basis on days to fit around you. You will become part of a dedicated volunteer team working in a well equipped wood workshop in the beautiful surroundings of Wat Tyler Park, Pitsea. Lots of support, encouragement and guaranteed job satisfaction come with this role.

For more information, a volunteer job description, or if you would like an informal chat please call Peter Hall on 07904 150180, send us a message, or email: [info@newlifewood.org.uk](mailto:info@newlifewood.org.uk)

New Life Wood is a registered charity founded by local Christians in 2017. Our aims are to save resources and to create jobs and training opportunities for local people, especially those who might be considered marginalised from the labour market.
